RE: Stage 1-2 Archaeological Assessment: 126 Dundas Street, Paris, Brant County, ON

Dear Mr. Warren,

Please accept this memo as an update to the archaeological assessment completed for the subject property identified as 126 Dundas Street, located in Paris, Brant County, Ontario. No archaeological materials were recovered during the Stage 2 assessment, and no further archaeological assessment will be recommended. The report is being circulated to engaged Indigenous communities for review and comment prior to submission to the Ministry of Citizenship and Multiculturalism.

As part of this project, Mississaugas of the Credit First Nation, Six Nations of the Grand River, and the Haudenosaunee Confederacy Chiefs Council via the Haudenosaunee Development Institute were invited to participate in the archaeological assessment. Each Nation was provided an opportunity to participate during fieldwork, as well as comment on the draft report and recommendations prior to submission to the MCM. To date, no concerns have been expressed with the archaeological work completed or the recommendations.

Sincerely,

Lara Wood, MA, P1078
Division Manager – Transportation Projects
